

REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

To the Honorable Mayor, Members of the
City Commission and City Manager,
City of Fort Lauderdale, Florida:

We have audited the accompanying general purpose financial statements of the City of Fort Lauderdale, Florida (the "City"), as of and for the year ended September 30, 2000, as listed in the Table of Contents. These general purpose financial statements and supplementary financial statements and schedules referred to below are the responsibility of the City's management. Our responsibility is to express an opinion on these general purpose financial statements and supplementary financial statements and schedules based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States and the standards applicable to financial audits contained in *Government Auditing Standards* (1999 Revision) issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the general purpose financial statements referred to above present fairly, in all material respects, the financial position of the City of Fort Lauderdale, as of September 30, 2000, and the results of its operations and the cash flows of its proprietary fund types and nonexpendable trust funds for the year then ended in conformity with accounting principles generally accepted in the United States.

In accordance with *Government Auditing Standards*, we have also issued our report, dated January 5, 2001, on our consideration of the City's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grants. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be read in conjunction with this report in considering the results of our audit.

Our audit was performed for the purpose of forming an opinion on the general purpose financial statements taken as a whole. The supplemental combining, individual fund and account group financial statements and schedules listed in the Table of Contents are presented for purposes of additional analysis and are not a required part of the general purpose financial statements of the City. Such information has been subjected to the auditing procedures applied in the audit of the general purpose financial statements and, in our opinion, is fairly stated, in all material respects, in relation to the general purpose financial statements taken as a whole.
